APPLICATION

Think about what most caught your attention in the text or discussion.

Why is God catching your attention with this at this point in your life?

What does God want you to know or do?

What's one thing from this text that you could say to an unbeliever about who God is?

PRAYER

Ask people for specific prayer requests. Pray for needs and for applications of the text.

Ask for volunteers who would like to pray for those people and requests.

SHEPHERDING

Check the roster and see who is not there. Does the group know why someone is not there? Are there needs that can be met by the group? Specific prayer requests? Ask for someone to reach out and say, "We missed you."
